

We are indebted to Brian and Terry for the following information that was brought to our January meeting about blight in Tomatoes

Remember if growing outside protect the leaves from water, wet leaves allow the disease to spread. Only water the roots.

Variety	type	Fruit size	Blight
Red Alert	Bush	medium	Slight, Late Blight, early crop
Losetto F1	Bush	Medium Cherry	Late Blight, Early crop
Lizzano F1	Semi bush	Cherry	Tolerant
Crimson Crush F1	Cordon	Large	No Blight
Mountain Magic F1	Cordon	Large	No Blight
Ferline F1	Cordon	Large	Tolerant to Blight
Tiger Tom F1	Cordon	Medium	No Blight
Romello F1	Bush	Cherry	Highly resistant to Blight
Prima bella	Cordon	Cherry	Resistant to Blight
Gigatoma F1	Cordon	Very large	Resistant to Blight
Oh Happy Days	Cordon	Large	Resistant to Blight
Tumbling Bella F1	Bush	Cherry	Tolerant to Blight
